1. This is what I am doing and I am doing it through you, not few through you, many; and many will wear/enter your name, your door revolving not exiting many enterers, but graduating many into the Fatherhood of Me. I love you Kingdom builder of 1. I love you.

2. See all I am doing throughout countries, nations, centuries, time backward and forward and what is time that you are mindful of it? Is that the best use of it? Is it fleeting, stagnant or isn't, part of isn't, that passes away does/will, and is-ing? I love you.

3. Smile, I am too, and glad you chuckle for My humor enlivens My body and who can belly laugh with Me and cry and simultaneously shed tears of joy and laughter while crying? You know why I ask? I love you Don (Hodges).

4. I give you Me and extemporaneously **I come forth for the asking not, but in surrender** maturing/matured **I teach and show forth the kingdom of truth.** I love you. I give you Me.

5. It's only the beginning Ted; every country nation tribe and tongue, every language, and who can know 1? Love? Who can know the language that speaks every language and interprets nothing but altogether is all in all? Yea see what I have asked and stated in asking.

6. Who can do My belly flops not but dance with Me intimately at 2am and with others they love? See why I ask. I love you both.
Across centuries?
Where are My mentors?
When do they arrive?
What cast and crew and how entereth and exit?
What leaveth behind and how to document all.

7. I give you tools/technology completely, labyrinth-not.
Simple: My directions/peace.
I love you.

9. Thou hast beholden I Am and I am beholden of I Am and I am I Am and who are you? I Am. And all comes forth and many come to know I Am in full release of I Am in their understanding. Hogwash not, I cleanse and make new and see they do My new kingdom, in them, all the time was. I Am.

10. The perpetrators are singular not and at right angles to justice, equity, and mercy. They love a fight, even subtle defensiveness and manipulation. Un-freedom they are and live in and cast others by darkening vision/thought, confusing definitions and rendering evil good and good evil and self-promulgation the highest good. Thou judgest the standard not, for **all light melts all arrogance**. See.

11. Thou art just beginning and many come from the east and west, the north and south, and far and farther and yea into My school they seek Me/truth and reveal in leadership'd freedom that allows/facilitates, yea flourishes freedom in the matured seeker who wants eyes for only Me. Catapulted are many, rocket-pulted are few not, for all enter Meship who will. Surrender the key. I love you keymaker; yea keymaker not, key revealer and light path-er. I love you. It's all of Me/Father; and you My submitted surrendered drink-offering'd Dr., lead. Thank you Dr. Ted. This is just the beginning.
All comes, all Ted. All I have given you come, I have given you My all. We sail, fly, at midnight not, yea in each other's arms we rest and bring forth in peace/rest and eyes one'd for each other in front of the world,s.
